

Lady Cavs
IMPACT Basketball Skills and Drills Clinic
Integrity-Motivation-Perseverance
Attitude-Character-Teamwork
“Small Investment, Big Impact”

Dear Parents,

It is my pleasure as the New Head Coach of the Chillicothe Lady Cavs Program to be able to extend this invitation to you and your student-athlete to participate in the *Lady Cavs IMPACT Basketball Skills and Drills Clinic*.

The IMPACT Approach:

IMPACT incorporates a 1-2-3 approach in teaching and developing participants in the game of basketball. Impact installs confidence and determination beyond basketball. We pursue excellence on the basketball court and in the classroom. Our kids will develop maturity, discipline and leadership abilities that last them a lifetime. Our core principle is based on teamwork, unity, sportsmanship and respect for one's self and others. We promote a positive image for our future leaders of tomorrow.

IMPACT Goals:

- Promote confidence and excellence on the court and in the classroom
- Instill levels of maturity, discipline and leadership to last a lifetime
- Make skill and team development more important than wins
- Show that the only loser is the one who doesn't try

There will be a parent/player meeting on **October 24th @ 7:00 p.m.** In the Hatton Gym. This meeting is for all players and parents who wish to participate in the *Lady Cavs IMPACT Basketball Skills and Drills Clinic*. We will also be discussing our plans for our 4th, 5th, and 6th grade travel teams that will be playing against other school teams.
